- GitHub
- Public Relations
- Teamwork
- Effective Communication
- Critical Thinking

LANGUAGES

- Portuguese
- English (Fluent)

PROFILE

I hold a degree in Management and also have a professional course in programming. Working independently has helped me develop strong organizational skills, autonomy, and attention to detail.

I enjoy taking on new challenges and adapting to different contexts, always focusing on finding practical and efficient solutions. I am looking to join a dynamic team where I can contribute my skills, grow professionally, and take part in projects that make a real difference.

EDUCATION

- **Bachelor's Degree in Business Sciences** 2020- 2023
Universidade Fernando Pessoa
- **Professional Fullstack Web Programmer Course** 2024 - 2025
CodeMaster school (INCoDe.2030 seal)
 - Certificate:
